

# Welcome to America's Biggest & Best Music Fest

OFFICE OF THE MAYOR  
CITY OF CHICAGO

JANE M. BYRNE  
MAYOR

July 20, 1981

On behalf of all Chicagoans, I extend a hearty welcome to ChicagoFest 1981, the largest and most unique music and entertainment festival in the country.

Like our beautiful city, ChicagoFest 1981 has something for everyone. There is enough music, food and entertainment to whet any appetite and please every taste.

And all of this is in a matchless setting, on Navy Pier jutting out into one of the most glorious natural wonders to be found anywhere, Lake Michigan, with the world's most dramatic skyline as the background.

Enjoy the food, the music, the people, the sun, the sky and water, and help us make ChicagoFest 1981 as happy, safe and successful as its three predecessors.

Sincerely,

A handwritten signature in cursive script that reads "Jane M. Byrne". The signature is written in white ink on the blue background.
